

The 3rd Annual Sanctuary@SACC International Food Festival Serves Up a Tasty Community Celebration!

On Saturday, February 28, 2026, our good friends and neighbors entered the doors of Sanctuary@SACC to experience our 3rd Annual International Food Festival Fundraiser.

It was a total feast for the soul (and the stomach)! There's nothing quite like the seven congregations bringing their A-game, offering everything from authentic Burmese flavors and Nepali spices to hearty Congolese and Central American staples.

With that rare 60-degree sunshine outside, the warmth inside from the community and the kitchens was delightful. It really highlights how the congregations of Sanctuary@SACC can turn their cuisine into a powerful celebration of South Philly's diversity.

Lots of Smiles: The Chin Community Baptist Church served traditional Sticky Rice with a smile.

Culinary Delights: Iglesia Casa de Dios served a festival spread of Guatemalan food

African Cuisine: Our Swahili language congregation prepared a delicious array of Congolese dishes

Served Nepali Style: Ray of Hope served Nepali Momo and Chatpate with much love

Fundraiser reaches \$6k Goal - THANK YOU!

We are extremely grateful to have raised over \$6,000 for the ministry - THANK YOU to all who came out in support; we couldn't have done it without you!

Besides a great fundraiser, our Food Festival was a joyful celebration of our city's diversity as we welcome and value our refugees and immigrants.

The International Food Festival is only one of many outreach programs we provide at Sanctuary@SACC - along with Food Pantry, Kids Club, and Refugee Support.
